

Quest WORLDS

COMING TO SYRACUSE, NY
WINTER 2022

FUNDING BEGINS SUMMER 2022

INTRODUCTION

QuestWorlds is an immersive, indoor gaming park giving visitors the exciting experience of adventuring in a robust science fiction world. While home to familiar Quest favorites like escape rooms and laser tag, weekend sessions will offer an engaging “campaign game,” which allows teams of participants to experience an exciting, player-driven storyline of adventure and intrigue. Set in a familiar Quest universe, players will be able to take control of their own starship, fly through the stars in an expansive simulator, and visit key in-person locales where action and mystery await.

ABOUT THE PROJECT

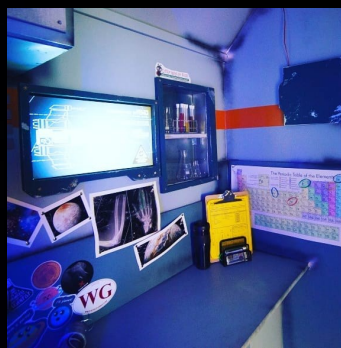

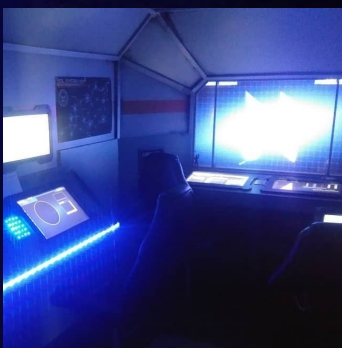

Long before the secrets of Outbound Hope or the lessons of Starfall Academy, the creators at Quest Productions – then Quest Adventure Gaming – dreamed of something very different. At our original brick-and-mortar location in Watkins Glen, NY, patrons were able to enjoy our Wayward Storm escape room and simulator – a robust and detailed starship set that gave visitors the experience of solving puzzles and fighting enemies aboard a space-bound starship. While the Wayward served as a play-test of many of the concepts intended for Outbound Hope, it was also a proof-of-concept for something far grander – QuestWorlds – a dream that went unrealized... until now.

This summer, Quest will take the first step toward making this dream a reality. Beginning in August of 2022, Quest will begin its initial endeavors to fundraise the amounts necessary to revolutionize Live-Action Gaming like never before. Pulling together a remarkable team of set designers, story builders, and actors, the first QuestWorlds locale will take players to adventures far beyond their imagination in an expansive and engaging indoor facility in our new hometown of Syracuse, NY.

MORE THAN AN
ESCAPE ROOM.

MORE THAN A
LARP.

**THIS IS AN
ADVENTURE.**

how you can help

QuestWorlds will only happen with the support of our exceptional larping and escape room communities. While we do plan to seek out investment support, our crowdfunding efforts and social media enthusiasm are the best predictors of future success. There's a wealth of exciting news and updates to be released in the weeks and months ahead — be sure to follow QuestWorlds on social media, like and share our content, and give as you can during our Kickstarter campaign in August. **WE NEED YOU!**
